# NED'S DEN

Dear Ned

I hope you are doing as well as you can while serving your time. I know you have other members of your 'family' in there with you.

I don't want to worry you too much but thought it best to get in touch. As you know running the club is a full time job so I can't get away to visit you. But I'd thought you want to know of a few issues at the club.

You remember the guy that runs the casino, Jack Pot. Well I'm sorry to tell you that he's not the guy you thought. He's been stealing money. Your money to be precise.

Don't worry I will see that he is dealt with swiftly and sternly. Rest assured the club is safe with me.

Sincerely,

Johnny

## SONGSTRESS ON RUN AFTER BRUTAL MURDER

### By Paige Turner

Goodtime girl Edna Snell is on the run after a brutal murder in a night club last night

At 2am a fight broke out at music club and popular night hangout 'Gatsby's'. Witnesses say that Snell had a disagreement with one of the dancers. As feathers and fists flew Snell seen to pull a gun from her purse and shoot the victim dead before robbing her and running

off into the night with her boyfriend.

Snell is no stranger to controversy according to her colleagues who described her today as 'a loose cannon' with 'evil under the eyes'.

Before taking her job as lead singer at 'Gatsby's' Snell had a colourful past working as 'hostess' and 'dance partner' in some of New York's less salubrious clubs.

Snell is thought to have run away to sea. Witnesses say a woman meeting her description was seen boarding a transatlantic ocean liner. Others say the master of disguise will not leave NYC & will be seeking work in another downtown club or Speakeasy.

Police have confirmed that there is a \$20,000 reward for information leading to her arrest. She's a dangerous woman. Be careful!

Dear Jonnny

I am so upset at what you told me the other day. I can't believe that you are now saying that you won't leave Lottie. You promised me that you would divorce her and I believed you. I don't understand what has changed.

What is the point of staying with her? If it's money you need we can work this out I have ideas of how to get some cash.

Please can we talk? Talk to me before I 'accidentally' say something I shouldn't. You know what I'm like after a few drinks.

Your, Kikki x
